Good morning Ellen,

Just want to share with you last's weeks services in Little Tokyo.

Scope of work: graffiti removal, street maintenance services, and serviced the bigbelly liners

We will continue to meet our Little Tokyo contractional obligations. The corpmember driver didn't experience a high volume of syringes and was about to clear the overflow of trash.

One of the bigbellys is reporting 300 days of NOT being service, but just know that we do go out each week to service the area, and at times if I see the overflow, I will send the driver to service the Bigbellys.

Let me know if you have any questions, comments and or corners.

Have a great day.
